## WORK EXPERIENCE

LeverX

(2021june - 2023dec)

Worked in a large team for a customer from USA. Code reviews and lectures for junior developers.

Developed a mid-size app for sales analysis.

Refactored and maintained a large monorepo with more than 100 modules.

Lerna TypeScript React MobX StyledComponents

Involve

(2020may - 2021apr)

Worked in a mid-sized team. Building a social travel network app for organizing travels in Ukraine "TripByClick".

Created a pretty complex app: complicated API, authentication, internationalization, optimized images with cropper, search filters, drag-n-drop route modification, maps with clusters, and nested modals.

React Zustand StyledComponents

Incrify

(2018jan - 2019jun)

Worked in a small team. Created various websites, including a corporate website with a booking system for escape rooms. 8 projects were released in total.

Creating simple websites with HTML template engines, CSS preprocessors, and jQuery.

Google lighthouse green zone achieved.

Nunjucks Sass jQuery Gulp Webpack
