WORK EXPERIENCE

Involve (2020_{may} - 2021_{apr}) **Frontend Developer**

Worked in a mid-sized team. Building social travel network app for organizing travels in Ukraine "TripByClick".

Created app with a lot of logic: complicated API, authentication, internationalization, optimized images with cropper, search filters, drag&drop route modification, maps with clusters, nested modals.

Interacted with a team of project manager, designer, QA, DevOps, backend, and mobile developers

React CRA StyledComponents
